

Complete this declaration if you're applying to be an intermediary as an individual or as a key office holder of an entity (not a natural person), on behalf of the entity.

Each key office holder of an entity must also complete their own declaration. New key office holders joining an entity must also complete a declaration.

Note: A key office holder may have to complete two declarations; one as a key office holder of the entity and one as the entity itself.

Key office holders

Key office holders of an entity include:

- **Body corporates (other than a closely held company)** - tax manager, chief financial officer, chief executive officer and directors
- **Closely held companies** - all shareholders
- **Partnerships** - all partners
- **Unincorporated bodies** - each member of the entity
- **Trusts** - all trustees

Consideration given when approving/declining applications

Inland Revenue will determine whether or not it will approve an application. An application may be declined if the applicant or a key officer holder:

- is an undischarged bankrupt
- is a liquidated company
- is a company under voluntary administration or in receivership
- is not allowed by the Registrar of Companies to be a company director
- has been notified of a breach by the disciplinary body of a professional organisation they belong to
- has been convicted of any criminal offence involving dishonesty - we will request a criminal conviction history report from the Ministry of Justice
- has an unsatisfactory compliance record with us, including outstanding returns or payments, or social policy we administer

We may also refuse to accept the entity as an intermediary if doing so would adversely affect the integrity of the tax system.

Please read these notes before filling in the form:
