

Estimate of income for child support assessment

2009

Child Support

1 April 2008 to 31 March 2009

Use this form if you wish to estimate your current taxable income for your child support assessment for the year 2009.

- Please answer every question. If you need help to complete this form please call us on 0800 221 221.
- The income you estimate must be at least 15% lower than your taxable income used to work out your current child support assessment.
- Another estimate of taxable income can be made **before** or **during** the child support year, **but not after**, by completing another copy of this form, or by applying to us in writing.
- For details on estimations and penalties please see our factsheet *Estimating your income (IR 151)*.
- Child support forms and other information are available on our website at www.ird.govt.nz/childsupport/

Please turn over

Declaration

I choose to use this estimate of my taxable income as my child support income amount, for the child support year 2009.

I understand that if my expected income changes I must re-estimate my income.

To the best of my knowledge the information I have given is true and correct.

Privacy Act 1993

Meeting your tax obligations involves giving accurate information to Inland Revenue. We ask you for information on this form so we can assess or collect your child support liability as authorised by the Child Support Act 1991.

We may exchange information about you with the Ministry of Social Development, the Ministry of Justice, Department of Labour, Ministry of Education, Accident Compensation Corporation, or their contracted agencies. Information may be provided to overseas countries with which New Zealand has an information supply agreement. Inland Revenue also has an agreement to supply information to Statistics New Zealand for statistical purposes only.

You may ask to see the personal information we hold about you by calling us on 0800 221 221. Unless we have a lawful reason for withholding the information, we will show it to you and correct any errors.
