

Navigating the new version of myIR

For: tax intermediairies

This summary accompanies a webinar: *Navigating the new version of myIR*

It is aimed at:

- Tax intermediaries

ird.govt.nz/bt-webinars

Introduction

Navigation – one of the main things that's changing in the myIR version upgrade

What you do in myIR will be the same

Cleaner, simpler navigation

Fewer clicks

Finding and accessing client accounts

Logon access and security are the same as now

Favourites

Search

History

Favourites tab

Up to 50 clients

Select a customer. Females Gastle History Floriship Transition	Manage favourites	
CORPOR 6 A MARINE MARI	Add or remove clie from favourites	nts
	Test	

Search tab - find clients by

- IRD number
- Client name
- Customer identifier

Account panels

- Account type and customer information
- Total balance and payments due
- Links to tasks for each account
- Alert indicators

All brought up to landing page level

Sub-panels

- Provide account-specific information
- Account panels are always there; others appear when relevant

Navigating the new version of myIR

For: tax intermediaries

Tabs

Three top tabs on a customer account screen

Customer, Individual

11-111-111

123 NOWHERE STREET, SOMEWHERE CITY 5510

- Summary: list of accounts
- Alerts: tasks that need action
- I want to: list of all tasks

'I want to' tab

Customer's tasks are categorised so they are easier to find, eg:

- My activity
- Communicating with IR
- My details
- Access Management

Intermediary centre

Easy to find and access

Replaces the current Tax preparer tab

One-stop shop for completing tasks and viewing notifications on behalf of your clients

Small changes to the ordering

Links are grouped so it's easier to navigate - based on intermediary feedback sessions.

If you subscribe to clients you can:

- receive all notifications in the Intermediary centre; and
- view the alerts for subscribed customers in the Alerts tab.

Filtering and searching

- Some screens will let you filter the information on that page (it's not a site-wide filter)
- Some screens will have a search bar where you can search using key words
