

 Staple all receipts for donations made in the tax year here if they have not been submitted online.

DONATION RECEIPTS

All receipts must show:

- your and/or your spouse/partner's name
- the amount and date of the donation
- a clear statement that it is a donation
- the signature of an authorised person
- an official stamp with the name of the donee organisation
- the word "copy" or "replacement" if it's a replacement receipt.

Send the claim form back to us. Remember to attach your receipts.

WHO CAN CLAIM?

You can claim donation tax credits if you are claiming as an individual and not on behalf of a trust, partnership or company and you:

- earned taxable income (eg, salary, wages, benefit, self-employed income, interest) in the income year you're claiming for, and
- were a New Zealand resident for tax purposes at any time during the tax year.

WHAT YOU CAN CLAIM?

Donations

If you have receipts, you can claim a tax credit for donations of \$5 or more.

A donation is a gift of money, including payments made by bank transfers, credit card or cheques, made voluntarily to a school/kindergarten or a donee organisation, where there is no identifiable direct benefit to the donor, or the donor's family. It does not include a gift that is testamentary or made by way of a full or partial debt forgiveness.

Go to ird.govt.nz/donations for a list of approved donee organisations.

School/kindergarten donations - Box 3

You can claim a donation tax credit for school fees or to state-run kindergartens as long as they go to the general fund.

Religious organisation donations - Box 4

A religious organisation donation is an unconditional donation made to a donee religious organisation or group.

Other donations - Box 5

You can claim all other donations that have been made to an approved charitable organisation.

CLAIMING DONATIONS

- The total donations you claim can not be more than your taxable income for the year.
- If you need to file an IR3 income tax return, we will need your return to check your taxable income before we can process your claim.
- If you have losses brought forward greater than your taxable income, you have no taxable income, so the credit cannot be claimed.
- We cannot process your claim before the end of the income year which it relates to. The exceptions are if you are completing the claim on behalf of a deceased person, or going overseas permanently or for a significant period of time.

HOW MUCH YOU CAN CLAIM?

The total you can claim in one tax year is the lesser of:

- 33.33% of your total donations, or
- 33.33% of your taxable income.

Go to ird.govt.nz/donations for more information.

SPLITTING RECEIPTS WITH YOUR SPOUSE/PARTNER

If your total donations were more than your taxable income you can split your tax credit with your spouse or partner. You would claim up to your income amount and your spouse/partner would claim the rest.

Example

Your taxable income is \$1,000 but you have receipts of \$1,500. You are only eligible to claim \$1,000, if your spouse/partner has income of \$500 or more then they can claim the other \$500.

PRIVACY

Meeting your tax obligations means giving us accurate information so we can assess your liabilities or your entitlements under the Acts we administer.

For full details of our privacy policy go to ird.govt.nz/privacy

Important information

- You can submit a receipt for a donation at any time within 4 tax years of the date of the donation. Any credit you are due will apply to the tax year the donation was made, not the year you submitted the receipt.
- Rather than rounding all tax credit refund amounts to be the nearest cent, Inland Revenue stops at two decimal places.
- Returned donations - If a donee organisation returns your donation, contact Inland Revenue as you need to repay any donation tax credit you received for this.
